Suggested Greetings

There are three greetings used by the Voice Mail System at specific times in "Mailbox Setup"

1). The NO ANSWER greeting is used when a call that is transferred to your extension is not answered before 4 rings.(the number of rings is set for the whole system, 1-12 rings). Below is a sample greeting.

Hi, this is _____. I am away from my desk at the moment. Please leave your name, number, and a message after the tone. I will return your call as soon as possible. In the future you may press 2 to bypass this greeting. Thank you.

2). The BUSY greeting is played when a call is transferred to your extension and you are on the phone with another caller. Below is a sample greeting.

Hi, this is _____. I am on the phone at the moment. Please leave your name, number, and a message after the tone. I will return your call as soon as possible. In the future you may press 2 to bypass this greeting. Thank you.

3). The last greeting to be recorded is the AFTER HOURS greeting played after your company has closed for the day. Below is a sample greeting.

Hi, this is _____. I am out of the office at this time. Please leave your name, number, and a message after the tone. I will return your call as soon as I am able. Thank you.
